

THE PEGAZETTE

THE OFFICIAL BIOLABS PEGASUS PARK NEWSLETTER

Outreach @ BioLabs w/ LaunchBio

Calling all volunteers: Are you interested in student outreach? Let's get in touch!

We are lucky to join forces with LaunchBio Inc. and Uplift Education to share the excitement of Life Sciences with students in Texas. LaunchBio has already hosted two successful, full-day sessions for students at the Biotech+ Hub at Pegasus Park. Currently, we are looking for volunteers to be mock investors and spend 90-minutes working with these amazing teenagers to hear their pitches and offer feedback and advice. We have some great minds in our community; let's share the wealth! You can sign up for both or one of the sessions for the following dates. Sign up here: [link](#).

Available volunteer dates/times:

October 27th (12:30-2:00PM)

November 6th (12:30-2:00PM)

If you have any other questions please email, kiah@launchbio.org.

October 19, 2023 @4PM

Millipore Sigma: Trivia Bowl

October 26, 2023 @ 12PM

Thermo: Spooky Vendor Show

October 31, 2023 @ 12PM

Check your email for more information and to accept the calendar invite!

Oct Office Hours

Every month our sponsors host office hours, where you can chat about how they can support you in and out of the lab! This month, we will have the following office hours:

Thermo Fisher Scientific:

On-site every Tue, 9-12PM

Eppendorf:

On-site 1st Thu, 9-12PM

PHCBi:

On-site Oct 30, 2023, 2-4PM

Agenda: Pumpkin Painting and Spooky Dessert Contest

Mean Girls

We are excited to announce that 49 residents voted for what movie we will be watching this October! After reviewing the results, I'm happy to announce we will be watching Mean Girls, starring Lindsay Lohan.

Mean Girls is a 2004 American teen comedy film. The movie portrays high school social cliques, school bullying and the damaging effect they can have on teenagers. Join us October 19th for popcorn and a whole lot of 2000's nostalgia!

Spooky Dessert Contest

Do you love to bake?

Last year, Colossal hosted a spooky dessert contest for Halloween. This year, PHCBI, Colossal, and BioLabs have joined forces to crown the top baker with the spookiest dessert.

This event is open to **all** residents of BioLabs. Be sure to bring a dessert on October 30th for a chance to win a prize!

Food and pumpkin painting will be available during this event.

Theft @ BioLabs

On September 23rd, BioLabs experienced a theft of a Macbook and backpack due to the front door not being closed completely after hours. We have video evidence of the theft and are in the process of filing a police report and recovering the Macbook. We understand that following this theft, there may be concerns regarding the security of the site. BioLabs is working with the tower to explore options to ensure that the front doors are consistently secured and hope to have this resolved soon. We appreciate your patience and will inform you of any updates.

Conference Room Etiquette

As our site continues to get full, we want to reiterate a few items surrounding conference rooms:

- Be on-time and leave on-time
- Cancel if you do not need the room anymore
- Clean up after yourself! Dishes (mugs/cups) and white boards
- Return the space to its original state (chairs/tables)
