

THE PEGAZETTE

THE OFFICIAL BIOLABS PEGASUS PARK NEWSLETTER

Outreach @ BioLabs w/ LaunchBio

Calling all volunteers: Are you interested in student outreach? Let's get in touch!

We are lucky to join forces with LaunchBio Inc. and Uplift Education to share the excitement of Life Sciences with our students in Texas. They will be hosting four, full-day sessions for students at Biotech+ Hub at Pegasus Park. Currently, we are looking for volunteers to spend 90-minutes working with these amazing teenagers to hear their pitches and offer feedback and advice. We have some great minds in our ecosystem; let's share the wealth! You can sign up for one (or two or all) of the following dates at the following [link](#).

Available volunteer dates/times:

September 25th (12:30-2:00PM)

October 27th (12:30-2:00PM)

November 6th (12:30-2:00PM)

If you have any other questions please email, kiah@launchbio.org.

September Events

This September we have a showcase of events going on! We are excited to announce the following events:

My Green Labs: Boba Truck
September 8, 2023 @ 12PM

Thermo: Western Workflow L&L
September 12, 2023 @ 12PM

Steve Case: Rise of the Rest
September 14, 2023 (Invite Only)

BI: Innovation Prize Event
September 19, 2023 (RSVP Only)

Corning: Product Showcase
September 26, 2023 @ 12PM

Check your email for more information and to accept the calendar invite!

Sep Office Hours

Every month our sponsors host office hours, where you can chat about how they can support you in and out of the lab! This month, we will have the following office hours:

Thermo Fisher Scientific:
On-site every Tue, 9-12PM

Eppendorf:
On-site 1st Thu, 9-12PM

Corning:
On-site Sep 22, 2023, 9-12PM

Innovation Prize

We are excited to announce that Boehringer Ingelheim (BI) Grass Roots Innovation team is headed back to BioLabs Pegasus Park this month! On Sep 19th, they will host a mentoring program (office hours), panel discussion covering financing biotech in 2023, and the Innovation Prize.

BioLabs is excited to host BI's team in Dallas once again and hope you'll come celebrate with these up-and-coming biotech start-ups.

New! Sponsors @ BioLabs

BioLabs is excited to introduce our new network-wide sponsors:

Gold Level Sponsors:

- Sartorius AG
- Evotec AG

If you're interested in speaking with representative from the above companies, please reach out to our staff.

Let Them Drink Boba!

BioLabs has joined My Green Lab in order to engage in initiatives to reduce energy usage, water, and waste. In order to get started, we needed to survey our residents, so My Green Lab sent a survey to all residents. The time has come and we have received our survey results... We had 75% completion! In the coming week we will begin to roll out more eco-friendly changes for the lab. Thank you to those that took the time to complete the survey and we can't wait to celebrate with you over a tall drink of boba on Sep 8th.

New! Facility Offerings @ BioLabs

Hydration Station: During the last few months, residents had asked our staff if we could place a table to hold water bottles outside the lab. We thought this was a wonderful idea. Although it took some time, we finally have one. Feel free to place your water bottles on the new hydration station outside the back lab door!
